Notable is a effect-gover application designed to a number of different interrelated

have been . . . Moreover, Netflix uses a load-balancing strategy to improve

1. *What is the purpose of the study?*
 2. *What are the research questions or hypotheses?*
 3. *What is the study design?*
 4. *What is the sample size and selection criteria?*
 5. *What are the variables being measured?*
 6. *What are the data collection methods?*
 7. *What are the results of the study?*
 8. *What are the conclusions and implications of the study?*

10.8 Achieving Load Balance and Effective Caching in Clustered Web Servers

500 Burr St. Bigger Box Office 617-267-0000. www.biggerboxoffice.com or www.internationalhighcoaching.com San Diego, CA
